

Did you know that you can now lease a bike?

With Lease a Bike, you pay for your dream bike with a gross salary deduction, making the purchase significantly cheaper than buying privately. Use the bike in your free time however you like – always including full insurance with **SEK 0 in excess** in case of theft or damage.

If you cycle instead of driving 3 days/week for 3 years, you'll save approximately **518 kg** of CO₂ in total.

Regular cycling reduces the risk of cardiovascular disease, diabetes, and mental health issues.

With a benefit bike, you can save up to **40%** compared to a private purchase – always including insurance.
